Jennifer confirmed - this briefing will be just like the Woolford briefing (she presents, we answer. All sites with issues/interest covered).

One thing I forgot to mention was that angeles asked me to invite Enrique to the NPL listing briefing w/Mathy. She also asked that we brief Enrique beforehand.

Question for Sharon, I thought that HQ folks, Terry and Jennifer, did the actual briefing, and the region sat in to answer questions. Is that correct?
Also is there a separate anaconda briefing or is it in conjunction w/Argonaut?
